ActionSTEPS Newsletter, July 2020

Ready, FIRE, Aim!!!

It's July already and half the year has already passed! To make it even worse, we're already into the second month, of the second quarter, of our 2021 financial year. If your year has been anything like ours, it's gone by with a flash. In fact, since March, when the whole Corona Virus pandemic unfolded, a lot has just been a blur...

Pulling Profits Tour with Brad Sugars

As you might know, Brad's tour was scheduled for September 2020 but due to the effects of Covid-19 on both national and international travel, we have had to put it everything on hold.

The great news is that we are working towards the third week of February 2021. We are still working on confirmations with venues in South Africa for Johannesburg, Cape Town and Durban. So keep your eyes peeled and your ears open for more details. You do not want to miss Brad's Pulling Profits Tour!! You can also find more details on our website. Client Testimonial

Corona Virus has been knocking at the door of many business owners globally. In fact, some may even say it came barging through their business's doors as an imposter and left it hanging on it's hinges by a mere thread.

We speak to Kyle-Ross Rehse from Innova Creative Techs in Port Elizabeth about what his ActionCOACH Business Coach Pascal Pau has done for them and how he has helped them weather the storm during this tough time.

Business Coaching – The Superhero

In my office, hanging on the wall just above my desk is a framed picture of an Iron Man caricature and for those less informed, Iron Man is a Marvel Comic Superhero. Now, why or how would this have any relevance to a blog post about business coaching?

Do you know how healthy your business is?

We can help you find out

When you are sick, you go to the doctor. The doctor asks some questions, takes a look inside your ears and mouth, feels around your internal organs and in most cases gives you a diagnosis according to their findings and a script then follows. Following the prescription will normally ensure a full recovery. Sometimes—with illnesses like cancer—you want to rather take preventative measures than find out when it could already be too late. It should be no different with your business.
