ENTREPRENEURS SUMMIT

Join us. it's Free!

In honour of all the fantastic women that make up our wonderful nation of strong women, we celebrated by hosting a FREE webinar during August—women's month—to help women business owners and entrepreneurs to absolutely thrive, especially in these challenging times.

It was a first in South Africa and was widely celebrated, [spoken about](#) and attended. This is what some of the attendees had to say about it:

Thank you for such an insightful webinar, and that it was for free! I am motivated to not just give up, and each of the seven points each coach gave I will try to carry with me in my business.

Thank you for also giving away a complimentary coaching voucher, I can't wait to receive it and be inspired and motivated in our business – it has taken a knock with Covid-19, but still has so much promise to be a success.

Kind Regards
Stephanie V

Thanks – to all the amazing woman who spoke and to Harry for a great host.

Kind Regards,
Sarah L
